

At Allen Brothers, we value the good words from our customers more than anything else. And when one of our customers tells a neighbor, friend or family member about our services, we are especially appreciative. At the same time, we try to be conscious of the needs of the special agencies located within our community who make our area a better place to live and work. Allen Brothers is committed to supporting local charities to make our community a great place for everyone who lives here.

Our Help a Neighbor, Support a Charity program is one way we can say Thank You for referring us new customers, while helping local charities continue their good work.

Call us today at (248) 852-9535

Whenever you refer someone to Allen Brothers and they purchase a new roof or repair, we will apply a voucher worth \$25.00, which can be directed as follows:

Select from one of the following local charities to donate the \$25.00 as a contribution in your name.

Referrals given before the receipt of this card are not eligible.
